1. Tayinloan toilets have been vandalised again resulting in expensive repairs. Some options were discussed for the future if this occurs again, namely closing the toilets at night. Whilst no-one wishes this to happen, the CC does not have unlimited funds, or anyone permanently at the premises. Hopefully a piece will be in the Courier to raise awareness.

2. Complaint about an area of Japanese knotweed located at Clachan past Strathholm. Contacted Transport Scotland awaiting reply.

### 7. Locality Planning Group (LPG):

Nothing much to report. Lorne Campbell Court and Kintyre Home to take in residents from Auchinlee. Most wish to stay in area. 2nd communication

newsletter now out.

### **8. Correspondence:**

1. Emergency kit bags to be checked for out of date items which will be replaced by A & B council.
2. Community funding ideas from each village/area. A funding stream has opened up for projects that will deliver long-term benefits to the environment and local communities. Applications to be made by 30th July.
3. Parking consultation: Ideas were discussed for e.g. no parking on public footpaths. MP will formulate a response.

### **9. Community Liaison Group (CLG):**

Tangy - Mp responded to change to proposal stating the community object and will require further meetings to view changes.

### **12. AOCB:**
